

Way of the Cross

Join us on Good Friday

Friday April 18, 2014 starting at 10.30 am from the Newman Center (89 St. George st.) ending at noon at St. Basil Church

We have the opportunity to make, on this day, the most important decision of our lives, one that opens wide before us the doors of eternity: to believe! To believe that "Jesus died for our sins and rose again for our justification" (Rom 4:25)!

What an extraordinary thing! This Good Friday [...] could be, if we wish, the principle of a new kind of existence. What is required is only that we do not hide from the presence of God, as Adam and Eve did after their sin, that we recognize our need to be justified; that we cannot justify ourselves.
